

Christmas Stocking Threading

Christmas Stocking FINE MOTOR CRAFT

Includes Free Printable!

Activity:

1. Visit www.toolstogrowot.com for free stocking printable, or you can draw it on red cardboard.
2. Cut out the stocking using scissors.
3. Use a hole puncher to cut out circles along the stocking.
4. Using wool, thread in and out through the holes.
5. Using glue, paste along the top of the stocking and place cotton wool onto it.

It Works on Skills Such As:

- Fine motor skills in threading activities and squeezing hole punch.
- Increasing attention/concentration in tasks.
- Scissor skill to cut the stocking.
- Visual perceptual skills.
- Hand eye coordination to hole punch dots.
- Use of both hands (working hand and a helper hand).
- Cognitive skills e.g., following multi-step instructions, sequencing.

Tips:

- Using tongs or tweezers to place cotton wool onto stocking.
