

# Circle of Security

## Wednesday daytime

**An evidence-based program that supports and strengthens child-parent relationships.**

Circle of Security is an evidence-based program that supports and strengthens child-parent relationships. Research shows that children who experience a secure relationship with at least one parent have better health, stronger relationships and better educational outcomes into their future.

Learn about:

- Your child's emotional world by learning to read their emotional needs
- How to support your child to successfully manage their emotions
- Developing your child's self-esteem
- How to honour our innate wisdom and desire for your child to be secure.
