

Supporting your child's communication development

Using the Communication Pyramid to identify the next steps for positive outcomes

Children communicate in different ways. A Communication Pyramid breaks down this developing skill into different stages, or layers.

How can you support your child to express themselves? Come and explore the layers of communication, essential skills to promote communication development and identify the next steps to take.

Join us to:

- Identify the essential skills for communication.
- Understand which skill your child may need to develop to become a successful communicator.
- Identify a first step you can take within the next 4 weeks.

Cost
Free

Date and time

Wednesday 5 June

7.30pm to 9.30pm* AEST/NSW time

[*Make sure to adjust to your time zone](#)
