

MyTime Marrickville

Connecting parents with their peers

MyTime is a unique service for parents and carers of children with a disability, developmental delay or concern about their child's development.

It's a regular meeting place where you can unwind, socialise, discuss, get information, and support and be supported by other parents and family carers. It's a world away from appointments and therapy. It's support for you!

Members get to plan the group sessions around their specific needs as carers.

MyTime @ Plumtree is run by parent facilitators who have shared experience in raising a child with disabilities and delays.
