

Connect. Thrive. Belong

**Hosted by
Plumtree Children's Services
& Belongside Families**

As parents and carers, you make the biggest difference in your child's life. When you feel supported, confident, and connected, your child thrives.

The free Family Conference, hosted by Plumtree and Belongside Families, brings together family experiences and professional expertise to expand your knowledge and empower you to support your child in ways only you can.

You'll be reminded of the impact you have as a parent on your child's development—and how the everyday choices you make, the relationships you help build, and the opportunities you create help your child learn, grow and belong.

Join us to build your confidence, learn practical strategies, and discover fresh ideas to support both your child and yourself. And leave feeling more connected to a community of families who understand and share your journey.

Cost

Free

Date and time

Saturday 8 November 2025
1pm – 4pm

This program is for

Parents and carers of children with disability, developmental delay, autism, rare or genetic conditions, and medical needs.

Unfortunately, due to limited spaces, we cannot welcome professionals to this event.
