

Music-ready spaces

A partnership model to strengthen inclusive environments through intentional and responsive music experiences.

Plumtree partners with early learning teams to strengthen inclusive practices by focusing on the environment, not the child.

This project supports educators to embed music into everyday routines in intentional and joyful ways that enhance children's participation, connection, and sense of belonging.

What's included?

- ✓ Collaborative planning session tailored to your service
- ✓ On-site training or coaching with a qualified specialist
- ✓ Practical, evidence-informed strategies focused on the learning environment
- ✓ Optional tools, visuals, and take-away resources
- ✓ Follow-up mentoring or discussion (where applicable)
- ✓ Aligned with the EYLF, NQS, and inclusive practice principles

Who is it for?

Preschools and long day care centres seeking to:

- Build team capability in inclusive practice
- Strengthen day-to-day routines and environments
- Support every child's participation and belonging
- Align with a social model approach to disability and inclusion

Cost

From \$5,000 + GST
(dependent on scope and location)
