

Sensory-ready spaces

A partnership model to strengthen inclusive environments through sensory-aware practice.

Plumtree partners with early learning teams to strengthen inclusive practices by focusing on the environment, not the child.

This project supports educators to design sensory-aware environments that promote calm, support regulation, and help all children feel safe, included, and ready to engage.

What's included?

- ✓ Collaborative planning session tailored to your service
- ✓ On-site training or coaching with a qualified specialist
- ✓ Practical, evidence-informed strategies focused on the learning environment
- ✓ Optional tools, visuals, and take-away resources
- ✓ Follow-up mentoring or discussion (where applicable)
- ✓ Aligned with the EYLF, NQS, and inclusive practice principles

Who is it for?

Preschools and long day care centres seeking to:

- Build team capability in inclusive practice
- Strengthen day-to-day routines and environments
- Support every child's participation and belonging
- Align with a social model approach to disability and inclusion

Cost

From \$5,000 +GST
(dependent on scope and location)
