

# Circle of Security

## for dads and male carers

**An evidence-based program that supports and strengthens child-parent relationships.**

Circle of Security is an evidence-based program that supports and strengthens child-parent relationships. Research shows that children who experience a secure relationship with at least one parent have better health, stronger relationships and better educational outcomes into their future.

In this program, you'll learn to:

- Understand your child's emotional world by learning to recognize their emotional needs.
- Support your child in managing their emotions.
- Build your child's self-esteem.
- Honor your inner wisdom and your desire to make your child feel safe and secure.
