

Music Together Free Playgroup

Create wonderful opportunities for communication and interaction through fun musical activities

In this relaxed and welcoming playgroup, children and adults enjoy musical play together. Sessions include singing, dancing, percussion instruments and storytelling, with opportunities for communication, interaction and group participation.

Led by Dr Amanda Niland, music educator, and Daniel Rose, early childhood teacher and behaviour consultant.

Supporting your child's transition

Every child responds to new experiences differently. Some children join in straight away, while others prefer to watch, stay close to a parent or take a little longer to feel comfortable. That's okay. We encourage families to keep attending so children can become familiar with the people, songs and routine.

Why join Music Together?

- Connect with other families.
- Explore music, movement and creative play.
- Encourage communication through songs and activities.
- Enjoy a familiar weekly routine that helps children know what to expect.
- Parents, carers, grandparents and siblings are encouraged to join in.

This program is proudly funded by the NSW Department of Education Start Strong Pathways program.

Cost

Free

Date and time

Weekly sessions, 45 minutes each.
Wednesdays, 21 October to 9 December 2026,
All sessions 10am to 10.45am.

This program is for

Music Together is a program for children aged 3 to 5 years, including children with disability, developmental delay, neurodivergence, or families who would like some extra support for their child. We also warmly welcome all children in this age group and are committed to creating an inclusive space where everyone can join in and feel comfortable.

Parents, grandparents and siblings are encouraged to participate too. We celebrate diversity and welcome families from all backgrounds.
